

**NATIONAL EMERGENCY MEDICAL SERVICE WEEK  
MAY 17-23, 2020**

**Whereas**, Emergency Medical Services (EMS) is a vital public service; and

**Whereas**, access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

**Whereas**, EMS plays a critical role in public outreach and injury prevention, and is evolving in its role as an important member of the healthcare community; and

**Whereas**, personnel from the City of Seabrook stand ready to provide compassionate, lifesaving care to those in need 24 hours a day, seven days a week; and

**Whereas**, emergency medical responders are supported by emergency medical dispatchers, educators, administrators, researchers, emergency nurses, emergency physicians and others; and

**Whereas**, the members of the EMS team engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills; and

**Whereas**, it is appropriate to recognize the value and the accomplishments of EMS practitioners by designating Emergency Medical Services Week.

**Now, therefore, I**, Thomas G. Kolupski, Mayor of the City of Seabrook, on behalf of the City Council, citizens and employees of the City do hereby proclaim May 17-23, 2020 as National Emergency Medical Services Week.
